## About Our School

To be competitive and determined to achieve the set goals

We are followers of PDEA's with the motto "Bahujan Hitay, Bahujan Sukhay". P.D.E.A.'s Eon Gyanankur School exists to serve the unique, academic, physical, social, emotional and physiological needs of student as they bloom from a seedling to a big tree of knowledge. The school is committed to create & maintain a joyful atmosphere where touching - learning is exciting. All the curricular and co-curricular activities and child centred and designed to accomodate individual learning styles so that all my experience success. Smart class program helps the school to integrate technology and education in day-to-day life of students right inside the classrooms, enhance teaching-learning methods during academic year. Students drawings, posters, designing, art & craft work done by them throughout the academic year.

### Experienced Teachers

We have qualified teachers to develop our students.

### Science Lab

Teaching aids like various charts kept for the students reference.
